Yor

Contracting Officer

Subject:

CONTRACT/SP-1913 FINUNCE

25X1A

Pursuant to your letter dated 1 Jume 1955, we are submitting the attached schedule of shop equipment acquired by authority granted thereunder and delivered to

25X1A

The referenced letter authorizes the acquisition of shop equipment for to the approximate value of \$15,000. You will note the total value of equipment acquired, per the attached schedule is \$17,957.42. The difference of \$2,957.42 represents items acquired, based on representations and understandings between your people and ours on the job, which were not included in the estimate establishing the bases for the \$15,000 authorization. The major one of such items is "Steel Bins and Shelves" in the amount of \$1,758.60.

Contractor has available and can furnish ample justification for the expenditures made for the items listed on the attached schedule. However, since the expenditures made exceed the \$15,000 authorized by your letter of 1 June 1955, Contractor would appreciate receiving your acknowledgment of receipt of the attached schedule and approval of the total amount expended as shown thereon.

25X1A

25X1A

25X1A

It is expected that in the future, there will be requirements from time to time for additional items of shop equipment for the Shop at If it is desired that Contractor acquire these supplemental items men needed and charge their cost to the subject contract, then it is suggested that you appoint someone at the manual or at Costractor's main plant who has authority to authorize and approve such acquisitions. It is believed that this method is essential to insure timely action. lou would of course receive supplemental lists of shop equipment thus acquired. Two such items of shop equipment costing approximately \$2,700 bave already been discussed with the Base Commander and should be acquired immediately.

Yours very truly,

25X1A
